

Authorising another contact on your account

Your decision to authorise another person on your Pivit account gives the nominated person full access to your account. **(This enables the nominated person to change any and all account details as if they were you.)**

As the account holder, please complete all information under the "Account Holder Details" section of this form and sign where indicated. Further, the additional account holder information section needs to be completed by the person you nominate and the form signed where indicated.

Once complete (including all required signatures) forward to billing@pivit.com.au or fax to 07 3387 3497.
