Location Specific Information

Coomera Waters Fees and Charges

The Coomera Waters network is subject to specific terms due to the ownership transfer in 2017 from the Coomera Waters developer to a third-party network supplier. If you reside in the Coomera Waters area please read carefully. Applicable fees related to incorrect faults including technician call outs are listed below.

Code	Name	Service Description	Charge
F1	No Fault Found (No Site Visit)	Where a (customer) end-user reported a fault and the issue was found not to be within the third-party network suppliers demarcation boundary, but no site visit was required.	\$50.00 (per service)
F2	No Fault Found (Site Visit)	Where a customer (end-user) reported a fault and the issue was found not to be within the third-party network suppliers demarcation boundary and required a site visit. *Labor rate (currently \$150 per hour, minimum 2 hours).	\$150.00
F3	Late Cancellation	Where a site visit has been scheduled with a customer (end-user) for a new service and was cancelled less than 8 hours prior to the scheduled appointment.	\$150.00
F4	Fault Missed Appointment	Where a site visit was scheduled and the customer (end-user) missed the appointment.	\$150.00
F5	On Site Service	Where a home owner requests a technician to undertake support or work beyond the third-party network suppliers demarcation boundary.	\$75.00 (per half hour)

* **Demarcation point** - Also known as a boundary point or network boundary point, a demarcation point is the physical point at which the public network of a telecommunications company ends and the private network of a customer/end user begins. This is where the cable physically enters a building.

Preferred Service Activation Date Please Indicate (✓)	Date	Pivit's Provisioning Team will be in contact to coordinate the service activation.
Special Instructions
